PRESENT: Cllr Fastnedge (Chair), Cox, Powell, Pike, and Lambert

MEMBERS OF THE PUBLIC: None

PRESS: None

CLERK: Minutes taken by Cllr Fastnedge (Chair)

1.0 APOLOGIES: Cllrs Evans, Peglar and White

2.0 PUBLIC SPEAKING: None

3.0 DECLARATION OF INTEREST: None

4.0 PLANNING APPLICATIONS

4.1 21/2575FUL- Berry Barton Farm Berry Hill Branscombe Seaton EX12 3BD
Erection of horticultural polytunnel

It was noted that the application was for an additional polytunnel alongside an existing one that was granted planning permission in February 2019.

Cllr Powell proposed that the Council support the application: Cllr Lambert seconded: all in favour.

4.2 21/2666/FUL - Alderwood Barn Branscombe Seaton EX12 3BU
Erection of an agricultural building and erection of two polytunnels for use in horticulture and enlarged field gate access

It was noted that this application is for a building suitable for the housing of livestock in winter and other occasions such as, lambing sheep, calving cows or animals that need veterinary care or to be isolated from others. Therefore, it is important for animal welfare considerations that the building is close to the existing farm dwelling, farmyard and buildings.

The farm also has a successful market garden, growing salads vegetables and cut flowers and the polytunnels are required to grow many of these products.

Cllr Lambert proposed that the Council support the application: Cllr Cox seconded: all in favour.

5.0 MATTERS FOR FUTURE AGENDA WITH PERMISSION FROM THE CHAIR: None

Close of Meeting: 19:20
